EXPLORE THE RICHNESS OF ISLAMIC CULTURES

Muslim Content Distribution was founded in Istanbul Turkey, has a wide network through Asia Pacific, Middle East, and Europe. Our objective is to enlarge our content library that combines the rich cultures and heritages of the Muslim world, from the past to present. Muslim Content Distribution unites rich Muslim heritage from different countries and cultures under one umbrella, and will provide a new market place for all.

Our strong marketing background and wide network will help us to make Muslim Contents take a place in the market much more effectively.

Our contents are carefully selected in order to keep the peace among all Muslim communities from each view. Our sensitively selected titles are non-violent, out of criticizing the matters in dispute, gathering all Muslim world under a big tent appealing to every Muslim in terms of contents such

as documentaries, lifestyle programs, and animations for kids. We believe that the key to success lies within the positive intention in our work.

Muslim Content Distribution sets a precedent for being the correct business partner with its young and talented team of professionals as well as carrying its brand to the next level as one of the most innovative companies of the new era.

In this fast-changing era, broadcasters need to find safe and trusted content based on the Muslim audience all over the world. Muslim Content Distribution brings a solution to the market by networking and matching right contents to right buyers with right marketing strategy.

The intersection point of civilizations, the capital of hearts, the city of domes and minarets, beloved Istanbul....

Istanbul is a city that people wonder about and want to see in every period of history, and thousands of poems and books have been written about it...

The ancient city of Istanbul, which has been the capital of empires and civilizations, has preserved its feature of being one of the most important centres of history, politics, trade and culture for centuries. Carrying a different mission in its spirit, as a representative of both Eastern and Western civilizations, Istanbul also determined the intellectual foundations of these civilizations.

"The Grand Mosque - Fifth Pearl Of Islam" is a captivating documentary that takes audiences on a mesmerizing journey through the cultural and architectural wonders of Islamic architecture. With nearly 3000 cultural, historical, and monumental structures, city of Bursa stands as a living testament to the diverse civilizations that have shaped its identity over the centuries, including Roman, Byzantine, Seljuk, and Ottoman.

Notably, the scholars of its time esteemed the Bursa Ulu Camii as the fifth holiest place in Islam, trailing only after Mecca, Medina, Jerusalem, and Damascus. This recognition attests to its spiritual significance and profound impact on the religious landscape.

From Andalusia to the Gulf, through the Levant and Cairo, Islamic architecture stands as a witness to an amazing history of creativity.

Examples from Europe, Africa and Asia tell the stories of the wonderful Islamic heritage...from the Islamic West in Seville, Cordoba and Granada to Cairo and Damascus all the way to the Emirates, Saudi Arabia, Bahrain and Oman. The aesthetic imprints of Islamic architecture tell the story of glories in the ranks of civilizational progress, from mosques in which prayers were offered to schools, baths, palaces, squares and markets. It is filled with echoes of the past, buildings, walls, and columns. Islamic architecture left its mark on its ceilings, walls, and courtyards.

Islamic Architecture is a program that tells stories of cultural creativity throughout the ages.

"He who builds a mosque in the way of Allah, Allah Almighty will build a house for him in paradise." So said Abu Bakr, the first Islamic caliph. Mosques have served as the religious, cultural, and communal focal points of Islam throughout its history. We'll learn about the many different mosques located around the world, as well as the cultural aspects of both the mosques and the countries that host them. We will also learn about the history surrounding them and the characteristics of Islam. They serve as schools, community centers, philanthropic institutions, and even hospitals and law courts, in addition to being houses of worship. They are locations where worldly distinctions such as class, income, prestige, and ethnicity fade away, and everyone becomes equal in the eyes of Allah Almighty.

Fasting makes the body stronger and healthier, where the body, on a physiological level, adapts to enduring and managing its thirst and hunger. The faith of Islam offers permission to those who are ill to be absolved of their religious obligations when deemed necessary. Worldly practices are not tied to doctrine and scripture alone, as Muslims are not to neglect their health or treatment and simply leave their well-being to be determined by fate. Muslims must rely on the appropriate remedies, that Allah offered and made necessary for them to heal. The Prophet's well-known hadith about treatment goes as such "O worshipers of Allah, use the remedies made available to you."

Islam is good morals. While Islam beautifies people’s spiritual life with worship, it beautifies people’s social and daily lives through manners. The orders and prohibitions of Islam are not just about worship. Islam has brought many recommendations that must be followed in daily life, human relations, trade, family and neighbour relations. One of the main goals of Islam in the world is the establishment of a just sociological system based on morality and good manners. In other words, Islam itself is social morality.

Therefore, morality and good manners are some of the most important elements of both the individual experience of religiosity and the consolidation of religion in social life. In this program, the basic moral values and good manners that are commanded and recommended by Islam, universal and that make our lives beautiful for all humanity, and how its practices should be in our daily life are explained.

SYNOPSIS

The story takes place in the poor Anatolian villages that suffocate under the pressure of social and political events of the time and are caught between the new culture and the old culture in the 1930s and afterwards. The story is telling about the drifts, determination, hope, and dreams of an 11-year-old boy named Hadim, who is unable to study on his own holy book because of the political prohibitions and tries to do it secretly to become a hafiz and his efforts to learn the bird language like Prophet Suleiman whose anecdote is described in the Quran. And while doing these, it draws attention to the political pressures in the background.

SYNOPSIS

Wherever there is good, there is also evil. The series aim to learn discipline from our Prophet Muhammad (Peace and Blessings Be Upon Him).
"Journey" is an Islamic, educational storytelling series about the adventures of brother and sister (Basil), (Marmar) and friends (Malik) and parrot (Zenan). In each episode, they will recognize and learn about a new Hadith (our Prophet) (Peace and Blessings Be Upon Him) through the wise "grandfather" and "grandmother", the best manners we explained to the audience in an interesting and simple way.

SYNOPSIS 10-year-old Ziad is raised in a moderate Islamic style. His father Moez is an Arabic language and religious teacher. Ziad is a boy who loves imaginary worlds.

Ziad has a friend named "Gad" who forces him to act contrary to the morality and teachings of our prophet.

After a painful regret, Ziad takes a quick lesson from his father and embarks on an adventure in his own imaginary world.

And one day, he moves his imagination towards the Prophetic era to find a young man who resembles his father. He imagines himself actually going to the time of the Prophets and he tries to see how the Prophets behaved with the sinner.

SYNOPSIS This series tells the stories of great men who took on the task of glorifying and upholding their religion in order to keep it pure in the eyes of the masses. It delves into the lives of the men who accompanied the Prophet (Peace and Blessings Be Upon Him) during his life, revealing their positions, relationships with him, and how they helped him spread the word of Islam around the world. Season 2 of "Men Around the Prophet" follows the huge success of Season 1 with even more personalities, storylines, and useful knowledge. The series uses a 3D technique and concentrates on many personas from the prophet's confidants.

SYNOPSIS The prophets, the messengers of Allah Almighty, were sent to warn the society they live in. In the beginning, many prophets, including Muhammad (Peace and Blessings Be Upon Him), faced many difficulties throughout their lives. However, none of them gave up their struggle and continued to call people to religion. The series tells the stories found in the Prophet's Hadiths, which cover the basis for the virtuous life. It's told through the eyes of a humble shepherd who never gave up on his quest for knowledge. He looks into the Hadiths of the Prophet and learns from each message they pertain with every episode addressing a new idea and characters.

SYNOPSIS

The series depicts the historical events surrounding the explorer Ibn Battuta, whose heroism and humanitarian actions earned him recognition as one of history's most important explorers. The fascinating journey of Ibn Battuta, which began in 1325, stretched from Alexandria to Alanya, from Sakarya to the Maldives. Ibn Battuta was a wealthy Moroccan Muslim who made a pilgrimage to Mecca in 1325. Meanwhile, the adventures he lived led him to travel farther. Ibn Battuta made bold journeys to Africa, the Middle East and the Far East, little known to Europeans. Travelled non-stop for 28 years.
